A GOLF COURSE UNLIKE ANY OTHER

In 2016, Sherwood Country Club completed a thorough tee to green restoration of the entire golf course and driving range, making it one of the most celebrated and challenging golf courses on the West Coast.

In addition to this project, which closed the course for over a year, the Club made significant improvements to its facilities, refurbishing the golf clubhouse, and making great improvements to the Driving Range including adding a beautiful new water feature.

The Board of Governors and Sherwood Management are dedicated to making Sherwood Country Club the premiere private club for golfers in Southern California.

INCOMPARABLE TENNIS FACILITIES

Karen Shin, Director of Tennis & Spa Operations, invites men, women and children of all ages to enjoy year-round tennis at our magnificent tennis facility!

Adults enjoy tennis clinics, socials and team play, while juniors participate in clinics and camps throughout the school year and into the summer months.

In addition, the beautiful pool facility, fitness center and spa welcome members and their guests throughout the year.

Each January, Sherwood plays host to the nation's top collegiate tennis players in a four-day event featuring tomorrow's tennis stars!

In 2016, the Club added two great new features for its members: a professional-quality sand volleyball court, and Pickle Ball!

OUR MAGNIFICENT GOLF COURSE

Jeff Fowler, PGA, Director of Golf and his professional staff have compiled an active calendar of golfing events for men, women and juniors.

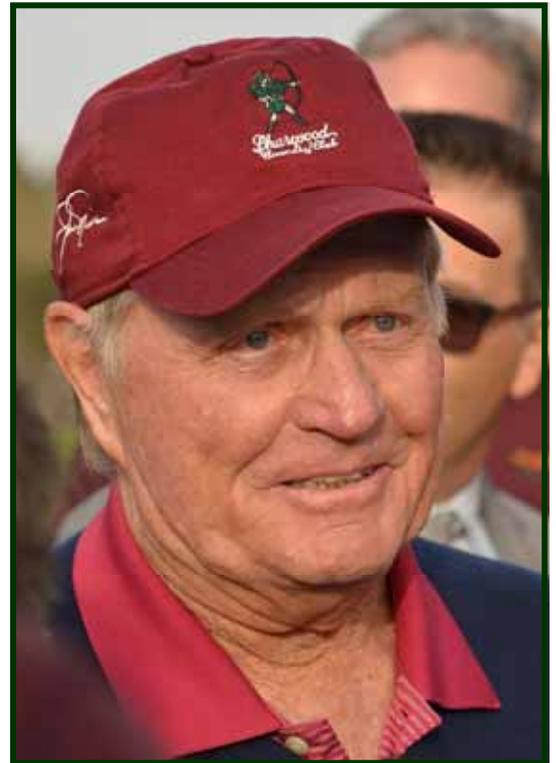

Enjoy member/member and member/guest events throughout the year, with special clinics for new golfers, couples' golfing socials and camps for junior golfers.

Our Pro Shop is stocked with the newest fashions and the latest in golf equipment.

Our caddie program is second to none, providing golfers with on-course assistance throughout their round.

In both 2016 and 2017, the Club hosted the PowerShares QQQ Tournament, an annual event in the Charles Schwab Cup playoffs.

And in the Fall of 2018, the QQQ returns to Sherwood!
